

Mental Health Matchmakers is recruiting for a Head of Service for a short-term residential treatment center for adolescent boys in San Andreas, CA. This program embraces a strengths-based approach within a least restrictive environment and a normalized high school environment.

The Perks:

- Growth opportunities nationwide!
- A salary starting at \$90K
- Health, vision and dental insurance after 90 days of employment
- Choice of supplemental benefits, including Short Term Disability and Life Insurance
- Eligible for 100% 403b match of up to 6% of your salary after 1 year of employment
- Paid Time Off that can be used as soon as it accrues
- Tuition Assistance

What you'll do:

- Design and oversee effective and evidence based clinical programs.
- Monitor clients and consult with the Medical Department and staff regarding mental health diagnosis and medication referrals.
- Provide clinical supervision to therapeutic personnel, ensuring the delivery of quality services through timely documentation, including individual, group and family therapy.
- Develop procedure and instructional manuals and materials to assist in compliance of program goals.
- Review and analyze current program elements, provide suggestions and direction to the Site Management Committee and/or Program Director to ensure the highest standards are maintained.
- Partner with referral agencies, as well as internal and external treatment team members.

To be considered you must meet the following:

- Have a master's degree in behavioral science from an accredited college or university.
- Current LCSW, LMFT or LPC in **California**.
- Have two years of clinical administrative experience working in a short-term residential treatment setting.
- The ability to build and manage community relationships.
- You must be able to pass a criminal background check, drug screen, physical, and TB test.
